FEATURE BOOK THIS ISSUE:

This was written especially for the claims adjuster that is not a technical manual. Nor is it a novel, because every bit of it is true. It's a first of its kind. A unique look into what makes awesome adjusters truly awesome.

Through first hand examples and stories of actual events, the author explores the traits and characteristics of the elite group of people known as awesome adjusters. Without heavy handed preaching, he offers advice to those who are searching for it.
